REGULATED ACTIVITIES

Irish Life Health is a health insurance provider. If you have purchased a hospital plan, your policy covers you for in-patient and out-patient medical expenses. If you have purchased a day-to-day plan this covers some of your day-to-day medical expenses.

YOUR CONTRACTUAL DOCUMENTATION

Your contractual documentation includes: the Membership Handbook (including the list of medical facilities); your completed application form; your policy documentation; your Table of Cover; the Schedule of Benefits; the General Practitioners booklet and the Terms of Business. The Membership Handbook must be read in conjunction with the Table of Cover which sets out the level of benefits you are entitled to under your plan and states which medical facilities are covered under your plan. Your policy documentation will set out your plan, membership number, your commencement date and your next renewal date. The Schedule of Benefits sets out the medical criteria that must be met before the procedures and treatments will be covered by Irish Life Health and the procedures and treatments that must be pre-approved by Irish Life Health before they will be covered. The Schedule of Benefits can be accessed on Irish Life Health's website at www.irishlifehealth.ie or a hard copy is available from Irish Life Health on request.

CHARGES

The contract relating to your membership of your Irish Life Health policy is for a 12 month contractual term, the details of which are specified in your policy documentation. Irish Life Health will charge you a premium for this policy. If you cancel your policy prior to the end of the policy year, or do not pay your premium in accordance with the terms of your policy for the full duration of the policy year, Irish Life Health will not pay any claims made in respect of the period following the date of cancellation or non-payment and will seek recovery of the health insurance levy calculated on a pro-rata basis for each adult, student and child on your policy, for the remainder of the time left on the policy, together with an administration fee of €25 euro per policy. This is known as a mid-term cancellation charge. Details of the annual amount of the health insurance levy are set out in your policy documentation.

Where contracts are terminated mid-term, we will also charge for service supplied in accordance with the contract, such charge being proportionate to the time on cover. Irish Life Health reserves the right to deduct the amount representing the cancellation charge referred to above against the amount (if any) due to be refunded to you as a result of your cancellation of your policy. In all other circumstances, an invoice will be issued to you in respect of the cancellation charge.
