<p>Health Plans Membership Handbook</p> <p>Tailored Health Plans Membership Handbook</p>	<p>Update to the Back-up benefit rule</p>	<p><b>Member Benefits</b></p> <p><b>Back-up</b></p> <p>Our physiotherapy case management programme provides Irish Life Health members with advice on prevention and treatment for back, neck and spine pain. Please contact our approved provider on 01 562 5150 and provide them with some initial details of your injury. To support your recovery, you will have a dedicated case manager and a programme of care that is personalised to you. You will be asked questions to assess your signs and symptoms to support you in improving your condition. Treatment programmes and duration will vary depending on how your condition presents but will include face-to-face physiotherapy either online or in-person with one of our associated physiotherapists. You must attend the physiotherapist recommended by the Back-Up team. If one of our approved physiotherapists is not available in your area, the Back-Up team will try to offer an alternative. Once the programme has commenced, the Back-Up team are unable to facilitate requests for transfer to another approved practitioner. You'll be entitled to two Back-Up treatment programmes in your policy year for a nominal fee of €50 per in-person face-to-face treatment programme. This fee should be paid to your physiotherapist at the first session of your treatment programme. Each treatment programme must be completed within three months from the date it is begun.</p> <p>A second treatment programme can only be started 6 months after the preceding one finishes. If you wish to amend your appointment time, you will need to follow your physiotherapist's policy on appointment changes. If you miss your appointment without informing your physiotherapist, a new appointment can be scheduled at a charge to you.</p> <p>Clinical responsibility for treatment lies with your physiotherapist and not Irish Life Health. Irish Life Health cannot guarantee the availability of specific treatment modalities. The following patient groups are not eligible to avail of the Back-Up service:</p> <ul style="list-style-type: none"> <li>&gt; Patients who are currently pregnant (however if you have written clearance from your GP then an assessment can be done which will determine your individualised treatment programme)</li> <li>&gt; Patients who have an issue that is not located in the cervical, thoracic, lumbar or sacral regions of the neck or back</li> <li>&gt; Patients who are under 18 years of age</li> <li>&gt; Patients who are seeking rehabilitation following a spinal surgical procedure undertaken in the last 6 months.</li> </ul> <p>While we aim for nationwide coverage with our Back-Up panel, a physiotherapist may not be available in your locality.
