# 1 Your Contract

## Everything you need to know about your policy

Your contract with us is made up of the following:

- > Your Membership Handbook
- > Your completed Application Form, whether completed by you or on your behalf (if applicable)
- > Your policy documentation, which sets out your plan, your membership number, your commencement date and your next renewal date
- > Your Table of Cover, which outlines the benefits in your plan and which List of Medical Facilities applies to your plan
- > The Schedule of Benefits, which sets out the treatments and procedures we cover
- > The Lists (explained below)
- > Terms of Business
- > Data Protection Statement

Health insurance policies are contracts between the insurer and the policyholder, because the policyholder (or in some cases their employer) is the person who has arranged and paid for the policy. However, the terms and conditions of this contract will apply to all plans and all claims made under the policy. Therefore where we refer to 'you' and 'your' throughout this Membership Handbook, we refer to both the policyholder and the member(s) listed on the policy. This also applies to members of group schemes. If you are a member of a group scheme where your employer has arranged your cover and is paying all or part of your premium, the Group Schemes section in this Membership Handbook will also apply to you.

You must ensure that the information that is provided to us when you are taking out a policy (whether in an application form or otherwise) is accurate and complete (even where the information is being provided to us by someone on your behalf). Otherwise it could mean we won't pay a claim under the policy and some or all of the members' plans under the policy may be cancelled. This may also cause difficulty should you wish to purchase health insurance elsewhere.

## Understanding your cover

Health insurance cover can be difficult to understand so to help you check your cover we have set out a checklist below. We understand that it may be difficult for you to figure out whether you are covered yourself so if you're in any way unsure, please call us on 01 562 5100 and we'll walk you through it.

The checklists below explain what to look for to see if you are covered under your Day-to-day Benefits.

## Day-To-Day Benefits

What to look for	Where to check
<ul style="list-style-type: none"><li>&gt; Is the benefit covered under your plan?</li><li>&gt; How much will we pay?</li><li>&gt; Is there an excess?</li></ul>	Your Table of Cover
<ul style="list-style-type: none"><li>&gt; What terms and conditions apply to the benefit?</li><li>&gt; How can you claim?</li></ul>	Your Membership Handbook
<ul style="list-style-type: none"><li>&gt; What does the benefit cover?</li><li>&gt; Are there any further criteria?</li></ul>	The Lists or the Schedule of Benefits (if applicable)

As you can see, you will need to take many factors into account to see whether your health expenses are covered. Below is a short explanation of the contractual documents and other factors that you need to take into account to see if you are covered.

## Membership Handbook

This document:

- > will help guide you through your health insurance cover
- > explains the general terms and conditions of your contract with us
- > explains all our benefits including the terms and conditions which apply to each (but please note that all these benefits may not be available on your plan)
- > sets out the things that are not covered under your plan
- > explains how to make a claim

Section 12 of this Membership Handbook contains tables which show the medical facilities that are covered under our plans. They also show if we pay them directly (known as direct settlement) or if you need to pay them yourself and claim this back from us. Your Table of Cover shows which List of Medical Facilities applies to you.

## Table of Cover

Your Table of Cover sets out the benefits that are available under your plan.

## The Schedule of Benefits

The Schedule of Benefits is sectioned by specialty, such as the Radiology section, and sets out the treatments and procedures we cover and which of these need to be pre-authorised. It shows the clinical indicators that must be present in order for a procedure or treatment to be covered for example, for a CT scan. We would advise you to contact us or your health care provider before undergoing your procedure or treatment to confirm whether it will be covered by us. The Radiology section of the Schedule of Benefits can be accessed on our website at [www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits](http://www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits) or a hard copy can be requested from us.

## The Lists

These Lists show what is covered under certain **benefits** and in some cases contain criteria which must be satisfied before the **benefit** will apply. **We** will let **you** know throughout this Membership Handbook or in **your** Table of Cover when it is necessary to refer to a List in connection with a **benefit**. The Lists are available on **our** website [www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits](http://www.irishlifehealth.ie/privacy-and-legal/schedule-of-benefits). The following is a brief explanation of each of the Lists:

### 1. The List of Clinical Indicators for Cardiac MRI and Cardiac CT Scans

This list sets out the **clinical indicators** that must be satisfied for cardiac MRI and cardiac CT scans.

### 2. List of Provider Partners

This list confirms the provider partners for which you can claim a benefit, discount from or contribution from us under certain benefits.

## Ground rules

**We** will only cover the costs of **medical care** which **our medical advisers** believe is an **established treatment** which is **medically necessary**. In addition **we** only cover **reasonable and customary costs**.

## Clinical indicators

In some cases medical criteria known as **clinical indicators** need to be satisfied before **our medical advisers** will consider the **treatment** or **procedure** to be **medically necessary**. If **clinical indicators** apply, they will be set out in the Radiology section of the Schedule of Benefits or the List of Clinical Indicators for Cardiac MRI and Cardiac CT Scans.

## Waiting periods

**Your** medical expenses will not be covered until after **your** waiting periods have expired. Waiting periods are explained in section 6 of this Membership Handbook.

## Excess/Shortfall

**You** will need to pay any **excess** or shortfall that applies to a **benefit** or a group of **benefits** under **your plan**. **You** can't claim these expenses back from **us**. **You** can see if an **excess** or shortfall applies by checking **your** Table of Cover. See section 2.1 of this Membership Handbook for more information on **excesses** and shortfalls.

## Understanding changes to your cover

### 1. Changes to **your plan** on renewal

From time to time **we** alter the **benefits** available under **our plans**. If **we** alter the **plan** that **you** are on, the **benefit** changes will not affect **you** during **your policy year** but will apply if **you** purchase that **plan** at **your** next renewal. Therefore, it is important to remember that where **you** renew on the same **plan** the **benefits** may not be the same as they were in **your** previous **policy year**.

### 2. Changes to **your** cover throughout **your policy year**

In some cases the cover that is available under **your plan** may change throughout **your policy year** for the following reasons:

#### Changes to the Schedule of Benefits

**We** review and where necessary amend the Schedule of Benefits regularly to update the **procedures** and **treatments** that are covered by **us** and the clinical indicators, conditions of payment and/or payment indicators that apply to **procedures** and **treatments**. These changes may become effective during **your policy year**. **You** can find the most current version of the Radiology section of the Schedule of Benefits on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to the Lists of Medical Facilities

**We** may add **medical facilities** to the Lists of Medical Facilities from time to time. **We** may also need to remove **medical facilities** from the Lists of Medical Facilities if **our** arrangement with those **medical facilities** ends. The **medical facilities** which will be paid directly by **us** may also change from time to time. See section 2.2 of this Membership Handbook for further details. **You** can find the most current versions of these lists on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to The Lists

**We** may need to make changes to the Lists from time to time to update the **procedures**, **treatments** and appliances that are covered under certain **benefits** and review the **clinical indications**, conditions of payment and/or payment indicators that are applied to them. **You** can find the most current versions of these on **our** website or call **us** on 01 562 5100 to check cover.

#### Changes to benefits provided by provider partners

Provider partner benefits may change or cease during the **policy year** and such changes are outside of **our** control.

#### Changes required by law

In the event that **we** are legally required to make changes to any of **our** contracts, **policies** or **plans**, such changes shall effect **your plan** immediately.

The changes described above are automatically applied to all **our plans** as soon as they occur. **You** and the **members** named on **your policy** should always check the most recent Schedule of Benefits, List of Medical Facilities and Lists. **You** can do this yourself by checking the most up to date information on **our** website or **you** can call **us** and **we** will check this for **you**.

## Acknowledgment

By entering this **policy you** are acknowledging that **you** have read this Membership Handbook and understand **your** cover.

In particular, **you** are confirming that **you** understand the contractual documents that make up **your contract** with **us** and that **your** cover may change throughout **your policy year**.

## 2 Your Cover & How to Claim

The **benefits** available under **your plan** are shown in **your Table of Cover**. They are divided into different sections mainly due to how they are **claimed** or the type of expenses covered.

The following sections of this Membership Handbook explain the different types of **benefits** offered by **us**. Within each section is a table which lists **our benefits**, shows the terms and conditions that apply to each **benefit**, and tells **you** how to **claim** it.

Please note that all these **benefits** may not be available under **your plan**. **You** should check **your Table of Cover** to see which **benefits** apply to **you** and how much **you** can **claim** under each **benefit**. **You** will also be able to see on your Table of Cover if an **excess** or shortfall applies.

How **our benefits** are categorised can change on different **plans**, so **you** may notice that some of **your benefits** appear in different sections in this Membership Handbook and on

**your Table of Cover**. If a **benefit** listed in **your Table of Cover** is not explained in the corresponding table in this Membership Handbook, please check the tables in other sections of this Membership Handbook. The terms and conditions that apply to **our benefits** (as described in the tables below) will always apply even if the **benefit** is positioned in a different section of **your Table of Cover**.

If a day-to-day **excess** applies to **your plan**, this will always affect all the **benefits** included in that section of **your Table of Cover**. It doesn't matter if one or more of **your Day-to-day Benefits** appear in a different section in this Membership Handbook.

**You** will always be covered to the level of cover set out in the **Minimum Benefit Regulations** for the applicable medical services listed in those regulations (subject to any waiting periods). Please see section 6 and the Definitions section of this Membership Handbook for an explanation of the **Minimum Benefit Regulations**. **We** will always deduct any withholding tax or other deductions required by law before paying **your claim**.

### 2.1 Day-to-Day Benefits

These **benefits** typically allow **you to claim** a contribution from **us** towards visits to certain medical practitioners or for certain medical services. The amounts that can be claimed and frequency or number of **visits** they apply to are set out in **your Table of Cover**. Where contributions are listed as a single amount, they are claimable once per **policy year** unless otherwise stated. Please see the "How to calculate your cover under your Day-To-Day Benefits" section below for details on how **you** may be covered under these **benefits**. **You** can **claim** these **benefits** for medical services received in **Ireland** or when **you** are abroad.

There may be instances where **benefits** in different sections of **your Table of Cover** apply to the same medical expenses. In this instance when claiming online, please check **your Table of Cover** to choose the section **you** wish to **claim** under. **You** cannot **claim** for the same medical expenses twice.

The application of the above rules and acceptance of the evidence provided will be at our discretion and our decision will be final.

## 4 Your Policy

### Joining Irish Life Health

**Your plan/policy** lasts for one year which means that **your policy/plan** will run until the **renewal date** shown on **your policy** documentation unless cancelled by the **policyholder** or by **us** for the reasons outlined in this Membership Handbook. As soon as **we** receive **your** first premium, **you** will be covered from **your** chosen commencement date subject to the terms and conditions of **your policy**. When **you've** joined, **you** will have access to the secure membership area of **our** website where **you** can make changes to **your** cover and to **your** personal details. **We** may contact **you** by post, email, phone, SMS and through **your Irish Life Health** secure **member** area. Please note that if **you** are a **group scheme member** **you** may not be able to make changes to **your plan** via the secure membership area of **our** website. Please see section 8 for further details on **group schemes**.

**You** may add **your** newborn to **your** policy without charge until the first renewal after his/her birth. The newborn must be added within 13 weeks of the date of birth or **waiting periods** will apply.

### Changing your policy

The **policyholder** can make changes to their **policy** or any of the **plans** listed on their **policy** at any time by logging onto the membership area on **our** website ([www.irishlifehealth.ie/members/manage-my-plan](http://www.irishlifehealth.ie/members/manage-my-plan)) or by contacting **us** (or their broker) directly. Changes can affect the premium that is payable. If a change is made to the **policy**, **we** will issue new **policy** documents to the **policyholder** as soon as the change is completed. **We** cannot take instructions to make changes to the **policy** or any of the **plans** listed on the **policy** from a **member**. However, the **policyholder** can nominate a person to act on their behalf to make changes to the **policy** or any of the **plans**. If **you** wish to nominate someone, please call or write to **us** and let **us** know if they have authority to act on the entire **policy** or just specific **plans**.

Where a **plan** is altered prior to the end of the **policy year**, the Day-to-day Benefits will be applied on a **pro-rata** basis.

### Renewing your plan

To renew **your** membership:

- > If **you** pay in monthly instalments by direct debit, simply continue to make **your** direct debit payments. **We** will automatically renew **your policy**.

### Canceling your policy

**Your policy** or any of the **plans** listed on **your policy** may be cancelled before the end of **your policy year** for one of three reasons:

1) **You no longer want health insurance with Irish Life Health**  
The **policyholder** can choose to cancel the **policy** or any of the **plans** listed on the **policy** at any time. To do this, they just need to call **our** customer services team or let **us** know in writing. If we're asked to remove a **member** from the **policy**, **we** reserve the right to tell them that they are no longer covered, however, please note that it is not **our** policy to do so. It is the **policyholder's** responsibility to inform the **members** on their **policy** of any changes that affect their cover.

2) **Premiums are not kept up to date**

**We** will cancel the **policy** or any of the **plans** listed on **your policy** if **you** do not pay **your** premium when it falls due. **We** will cancel the **policy** or any of the **plans** listed on the **policy** from the date that **your** premiums were paid up to (the Cancellation Date). **We** will not pay any **claims** for goods or services received after the Cancellation Date. **We** will send **you** a letter or email giving **you** 14 days' notice of **our** intention to cancel. **We** will send this to the last postal or email address **you** provided.

3) **Incorrect information / fraud**

**We** may cancel the **policy** or any of the **plans** on the **policy** if

- > **we** are provided with incorrect information about any of the **members** named on the **policy**; or
- > if any of the **members** named on **your policy** try to make a fraudulent **claim**.

### Consequences of cancellation

Once a **plan** is cancelled, the **member** will no longer be covered. **We** will not pay any **claims** for goods or services received after the Cancellation Date. **We** will be entitled to recover any **claim** amount paid to a **member** for goods or services received after the Cancellation Date. The Day-to-day Benefits will be allocated on a **pro-rata** basis. (e.g. where the **GP** visits **benefit** covers a contribution of up to €30 for up to 8 visits and the **plan** is cancelled after six months, the number of visits for which the **member** can **claim** will be reduced to 4). The yearly **excess** applicable to those **benefits** will not be reduced on a **pro-rata** basis.

If a fully paid **policy** or **plan** is cancelled before the end of the **policy year** and no **claims** have been made before the **policy** or **plan** is cancelled, **we** will reimburse the **policyholder** for the cover the **members** have not received – i.e. from the Cancellation Date until the next **renewal date**. Please note **we** will apply a mid-term cancellation charge (**you** can find more information about this charge in the paragraph below). **We**

## 5 General Terms and Conditions

will not return the amount of premium for any cover received before the date of cancellation. If **we** cancel a fully paid **policy** or **plan** before the end of the **policy year** due to the provision of incorrect information or fraud, **we** will not refund any of the premium that has already been paid.

### Mid-term cancellation charge

**We** will apply a mid-term cancellation administration fee of €25 if:

- > **you** choose to cancel **your policy** or any of the **plans** listed in **your policy** before the end of **your policy year**;
- > **we** are forced to cancel **your policy** or any of the **plans** listed in **your policy** due to non-payment of premium, because **you** or any of the **members** on the **policy** try to **claim** when **you're/they're** not entitled to or because **you** have provided **us** with incorrect information.

**We** reserve the right to deduct the amount for the mid-term cancellation charge against any amount due to be refunded. In all other cases **we** will send **you** an invoice in respect of the mid-term cancellation charge.

### Cooling Off

**You** can cancel **your policy** free of charge within 14 days from the date the **policy** was entered into or from the date **you** are given the **policy** documentation, whichever is the later. This is known as the cooling off period. **We'll** give **you** a full refund of premium unless **you** or any **member** has made a **claim** during this period. Should **you** wish to cancel **your policy** with effect from a date later than the start date, **we** will charge **you** for providing health insurance cover up to the date of cancellation and **we** will apply a mid-term cancellation charge in this case.

### Paying your premiums

All premiums must be paid in euro. **You** can pay your premium monthly by direct debit or annually, in full, by debit or credit card only.

If **you** have chosen to pay by direct debit, **we** will collect **your** premium on a monthly basis and **it's up to you to make sure your monthly payments are available for collection**. The first payment in any **policy year** may be more or less than **your** monthly premium if **your policy** start date is different to **your** chosen direct debit collection date. This may also occur if **you** decide to change **your** direct debit collection date mid **policy year**.

Where **your** premium is collected by your broker, **your** monthly direct debit will automatically roll over at **your next renewal date**. If **you** wish to change **your** bank details or change to an annual payment, please contact **your** broker directly.

### General rules

- > **Your policy** is governed at all times by the laws of **Ireland** and the exclusive jurisdiction of the courts of **Ireland**;

- > Where the amount that can be **claimed** under a **benefit** is greater than the amount **you** have been charged for the goods or services that are covered under that **benefit**, **we** will only cover the amount that **you** have been charged subject to any **excess**, shortfall or co-payment which may apply;
- > Where **we** cover the cost of goods or services that **you** have received as a result of an **accident** or **injury** for which another person/company/public body may be liable and **you** make a **claim** or take legal action against such other person/company/public body, **you** must include the cost of the goods or services covered by **us** in the damages **you** seek to recover from the person/company/public body. If **you** successfully recover some or all of the costs covered by **Irish Life Health**, by whatever means, **you** must reimburse **us** as soon as possible. **We** will not contribute towards the costs of pursuing such a **claim** or legal action;
- > Where **you** (or any other person for whom **you** are seeking health insurance) hold any form of health insurance with another company **you** must let **us** know at the inception of **your policy**. Where the costs of the goods or services which are covered under **your plan** with **Irish Life Health** are also insured by another insurer, such costs will be allocated between **us** and **your** other insurer on a **pro-rata** basis when **you** make a **claim**;
- > **You** will be covered under the **benefits** available in the **plan** **you** hold on the date **your medical care** (or other service) commences or on the date **you** receive goods, subject to any waiting periods that may apply. - > **We** will not return the original receipts **you** send **us** as part of **your claim**, however, **we** may return other original documents **you** submit to **us** provided **you** let **us** know **you** require **us** to return them to **you** at the time **you** submit them to **us**;
- > **We** will not pay **your claim** where **you** have failed to comply with any of the terms of **our** contractual documents;

- > **We** have absolute discretion whether or not to exercise **our** legal rights. Failure to exercise **our** legal rights shall not prevent **us** from doing so in the future;
- > **Irish Life Health** and **our** agents reserve the right to review any information which relates to the **medical care**, goods or services that **you** are claiming for (including **your** medical records) where **we** are of the opinion that access to such information is required to process **your claim** and/or detect or prevent fraud. **You** must provide **your medical facility** and **health care providers** with any consents which they require to allow them to release such information to **Irish Life Health** and **our** agents. **We** will not pay **your claim** where **we** are unable to gain access to any information which **we** believe is necessary to enable **us** to process the **claim** or detect fraud;
- > If any provision of this Membership Handbook is found by any court or administrative body of competent jurisdiction to

be invalid or unenforceable, the invalidity or unenforceability of such provision shall not affect the other provisions of this Membership Handbook and all provisions not affected by such invalidity or unenforceability shall remain in full force and effect.

- > Any dispute between **you** and **us** (about **our** liability over a **claim** or the amount to be paid, where the amount of the **claim** is €5,000 or more) must be referred (within 12 months of the dispute arising) to an arbitrator appointed jointly by **you** and **us**. If **we** cannot agree on an arbitrator, the President of the Law Society of Ireland will decide on the arbitrator and the decision of that arbitrator will be final. **We** may not refer the dispute to arbitration without **your** consent where the amount of the **claim** is less than €5,000. If **you** do not refer such a dispute to arbitration within 12 months, **we** will treat the **claim** as abandoned.

## 6 Waiting periods

A waiting period is the amount of time that must pass before **you** will be covered under **your plan** or before **you** will be covered to the level of cover available under **your plan**. Time served on a day to day **benefits** only **plan** may not count towards waiting periods if **you** purchase a **plan** with more comprehensive cover, for example, a **plan** with **in-patient benefits**. Previous foreign health insurance coverage is not taken into account for waiting periods. There are a number of different types of waiting periods:

- > Initial waiting periods
- > **Pre-existing condition** waiting periods
- > Upgrade waiting periods

### Initial waiting periods

Initial waiting periods apply when **you** take out health insurance for the first time or when **you** take out health insurance after **your** health insurance has lapsed for more than 13 weeks. **You** will not be covered during **your** initial waiting period.

Initial waiting periods do not apply in the following circumstances:

- > To **claims** made in respect of children who have been added to **your policy** within 13 weeks of the date of their birth
- > To **claims** made in respect of adopted children who have been added to **your policy** within 13 weeks of the date of their adoption
- > To **claims** in respect of **emergency care** for **accidents** and **injuries**.

The table below sets out the initial waiting periods applied by **Irish Life Health**. A **pre-existing condition** is an ailment, illness or condition, the signs or symptoms of which existed at any time in the six months before **you** took out health insurance for the first time or before **you** took out health insurance after **your** health insurance had lapsed for more than 13 weeks.

**You** will not be covered for a **pre-existing condition** during **your pre-existing condition** waiting period. **Our medical advisers** will decide whether **your claim** relates to a **pre-existing condition**. Their decision is final.

**Pre-existing condition** waiting periods do not apply in the following circumstances:

## Upgrade waiting periods

An upgrade waiting period will apply when **you** upgrade **your** cover (i.e. **you** purchase a **plan** with more comprehensive cover than **your** previous plan). This may happen if **you** change **your plan** with **us** or when coming to **Irish Life Health** from another health insurer. **We** will apply an upgrade waiting period to **claims** where your treatment relates to a pre-existing condition. Where an upgrade waiting period applies, **we** will cover **you** up to the level that was available under the **benefit** that **you** are claiming of **your** previous plan. Where the **benefit** **you** are claiming was not available on **your** previous **plan**, **you** will not be covered.

A **pre-existing condition** is any ailment, illness or condition that, on the basis of medical advice, the signs or symptoms of which existed at any time in the period of six months ending on the day on which

- > **you** took out health insurance for the first time
- > or **you** took out health insurance after **your** health insurance had lapsed for more than 13 weeks.
- > or **you** upgraded **your** cover to a higher level **plan**

In these circumstances, **you** will be covered up to the level of cover that was available on the **plan** that **you** previously held before upgrading **your** cover. Please see the upgrade waiting period table below for the details of upgrade waiting periods by **benefit** type. **Our** medical advisers will determine when **your** ailment, illness or condition commenced. ## 7 Fraud Policy

**We** operate a fraud policy in respect of all **claims** made by **you** or on **your** behalf. **We** do regular audits of all **claims**. In all instances where fraud is suspected, **we** will carry out a full and comprehensive investigation. If a **claim** submitted by **you** or on **your** behalf is found to be fraudulent or dishonest in any way, the **claim** will be declined in its entirety, **benefits** under the **policy** will be forfeited and the **policy** and/or any **plans** listed on the **policy** may be cancelled. **We** reserve the right to refer the matter and details of the fraudulent **claim** to the appropriate authorities for prosecution.

## 8 Group Schemes

If **your plan** was started as part of a **group scheme** arrangement and the **group scheme sponsor** is acting on **your** behalf, **you** agree that the **group scheme sponsor** will have the following powers and responsibilities for the **policy**:

- > The **group scheme sponsor** may instruct **us** to start and cancel the **policy**;
- > The **group scheme sponsor** may instruct **us** to change **your plan** or level of cover;
- > The **group scheme sponsor** may instruct **us** to add or reduce the number of **members** on the **policy**;
- > The **group scheme sponsor** may amend or cancel any or all of the **plans** listed under the **policy**;
- > The **group scheme sponsor** must ensure that all premiums are paid on time as unpaid premiums may impact whether **claims** are paid;
- > The **group scheme sponsor** must ensure that all adequate consents from **members** are obtained prior to the **policy** entering into force, including consents from **members** for the processing of their personal data.

**Members** who are part of a **group scheme** arrangement may require the permission of the **group scheme sponsor** to amend their cover. In such circumstances, the **members** may be required to pay additional premium for such amended cover. If **you** join a **group scheme** after the scheme start or renewal date, your benefit entitlement may be adjusted on a **pro-rata basis**.

If **your policy** was arranged through a **group scheme sponsor**, **your** cover will continue as long as **you** fulfil the conditions for participation in the **group scheme** and the **group scheme sponsor** continues to pay **your** premium.

## 9 Premium Changes

We may change the premium payable for **our plans** from time to time. These changes will not affect **you** until **your next renewal date** unless **you** change **your plan** during **your policy year**. Please note that **we** deduct **your tax relief** from **your** premium so **you** don't have to **claim** it back from the Revenue Commissioners. The level of **tax relief** is set by the Government and may be changed at any time which is outside **our** control. **We** are legally obliged to apply tax changes immediately and this may result in a change to the amount that **you** are required to pay to **us** for the **plans** listed in **your policy**.
